Graw Canaria.

Aug 13, 1897 - 225 complete sets of Graw Canaria

= *S. cucubalus* Wibel. (L. K.)

1. *Spartium juncum* L. Med., nat. in S. Am. (E.) Geront. hup (L. K.)
Roadside between Las Palmas and San Marteo - Nov. 30, 1893
= 420 = 515 79

2. *Heliotropium europaeum*.
Roadside ^{near Goldar} San Marteo - near Goldar Dec. 1893. 7

3. *Calendula arvensis* = 711 = 1007 L. Med. Reg. f. Costa Rica (E.)
Field - near Guia December, 1893. 19

4. *Sisymbrium*
Roadside - near Guia December 1893. 9

5. *Lobelia* Dec. 1893.
Roadside ^{near Guia} Field -
5a. 4 miles southwest of Las Palmas Nov. 1893.
5b. Roadside between Las Palmas + Monte Nov. 30, 1893.
5c. Field southwest of Las Palmas Nov. 30, 1893.
5d. Dry hillside near Las Palmas Nov. 30, 1893. 19
5e. Rocky bank near Guia Dec. 1893.

6. *Oxalis*
Roadside ^{Wet grassy place} Roadside, Halfway between San Marteo + Las Palmas Nov. 30, 1893. 2

7. = 8 *Silene gallica* L. (evidently a latter addition substitution)
Barrauco near Guia February, 1897. 61

8. *Silene gallica* L. (Cieus. (L. K.) almost cosmop. (E.)
= 7 Field - near Guia December 1893. 14

9. *Silene venosa* (Gilib.) Aschers. Eu., Sib., Vorles., E. Ind., N. Af. (E.)
= 615 Wet place in field near Guia Dec. 1893. 88 + 9

10. *Malva parviflora* Rosa
This substitution was not made. Roadside near Monte, Nov. 30, 1893
Las Palmas road near Guia - Feb. 1897. 1 specimen

11. *Artemisia reptans* Ehr. Sm.
Dry hill-side 3 miles southwest of Las Palmas Nov. 30, 1893. 6

12. *Helianthemum*
Dry hill-side Volcanic waste near Mt. Goldar. Jan. 1894. 2
Helianthemum
Dry hillside near Guia March. 1894.

Dryand - Reg. Med. (L.K.)

Common -

F. capreolata L., Eu., Af. bor. (L.K.)

- (2K.)
